CLIENT GUIDE: PRE GAME WARM UP CHECKLIST

Hi, I'm ALAINA

Hey there! I'm Alaina Valdez and I'm so excited to be working with you.

First up: a little about me. I am the founder of Fifth Gear Pitching. My goal was simple: to make it easier for pitchers to get the proper tools they need.

I am excited to work with you and help you learn the proper mechanics at any age level!

THE PROCESSES

A proper pre-game warm-up routine prepares your body and mind for peak performance. This checklist covers dynamic movement, arm care, mental focus, and pitching ramp-up to ensure you're game-ready while minimizing injury risk.

01

DYNAMIC WARM UP

Complete a 5 minute full body dynamic warm up including high knees, lunges, and hip openers to activate muscles.

02

ARM CARE CIRCUIT

Use resistance bands for shoulder rotations, scalp pulls, and external rotations.

03

MENTAL ACTIVATION

Take 2-3 minutes for deep breathing and visualization of a successful game. Focus on being calm and confident.

04

PITCHING RAMP UP PLAN

Start with 5 mins of light throws, than 10 mins of controlled pitching, and progress to 15 mins of game intensity.
